### Middleton and Smerrill Parish Council:

Thank you to the Climate and Nature group (Gardeners) for the fantastic Plants Stall this year. The greenhouse and other gardens used to produce the plants made a huge difference to the takings. The gardeners meet weekly in the Square on Monday mornings 11.00 am and would welcome any new members/extra support especially for watering in hot weather.

The group would also like to thank District Councillor Laura Mellstrom for her grant of £195.00 from the Local Projects Fund to support our ongoing work to help local wildlife

and continue to improve the environment.
