1423 Footpaths and Highways and related issues

DCC- potholes continue to be reported on the DCC portal

<https://my.derbyshire.gov.uk/>

No news on the reinstallation of the steel bar at the Roughwood Hollow Seat FS-Case-641015726 or on FS-Case-698460247 Toilet direction sign request or Gully clearance FS-Case-766184578 not being on their map – all to be chased with DCllr Adams.

1424 Report of the Clerk/updates and Decisions:

- a) Village Assets: Playground – thanks were expressed to Middleton Hall for the sweep of the playground. An illuminated sign has been donated and installed in the Open fronted building for use at events – thanks were given to Charles Monkhouse for it. The defibrillator kiosk project is still being investigated. All grit bins have been refilled and a pallet will be ordered this week. Thanks were expressed to Andy Wood for his thorough spreading of grit at Roughwood Hollow in the first freeze. It has been noted that a more regular gritting service appears to be operating but that the disjoint of

gritters coming from Asbourne to Middleton and the Youlgrave gritter turning around at the allotments makes the bus route to Middleton uncertain for the section between. Please remember to regularly use the public toilets in the winter to ensure they remain open year around for the many walkers.

Bateman's Tomb – rose hedging and shrub planting awaiting a weather break.

b) Play equipment fundraising - still only one donation from Derbyshire Aggregates received to date. Several others are awaiting a decision but Trusts approached don't consider Parish Councils to be community groups. Agreed to approach Dowlow and Longcliffe and an offer was received from the Village Hall to make up the shortfall to get installed before Easter holidays.

c) Village Hall Management Committee report
Last week's meeting noted the electrics in the hall and kitchen have been updated with the heaters becoming more effective. The uneven entrance ground is the next project if the tree roots can be accommodated safely. The next event is 31st January Bateman Arms with planning started for 23rd May Welldressing and market incorporating a vintage tractor display. Books have been donated by Diane Kettle for community use.

d) Climate and Nature Group
Stone slabs have been donated to form a path to the information board and a bug/insect tower is almost complete. Memorial Garden has now been extended to accommodate the Peace roses and other new planting. The group is meeting weekly to maintain public areas and start preparing seeds for the Village Market. Further sweeps have been offered by Middleton Hall. Tree branch fall from the recent storms has been removed.

1425 Dalc information and other e-communications

Latest bulletins received. DALC – Clerk WHA covered. DCC Parishes Liaison 8th December – explained their one Unitary Authority proposal brings the City into one Derbyshire identity (Districts want 2 but can't decide the split) but it is up to Government to decide the outcome. Chair has attended Derbyshire Wildlife Trust presentation on reintroducing beavers and will be putting a display on information up in the Hall. She is attending the DALC online presentation on 21st January
